

**Cancellation and No Show Policy**

Your appointment time is reserved solely for you. If you no-show or cancel an appointment without adequate notice, we are unable to offer that spot to other clients in need. Therefore, you will be billed a no-show fee of \$50 for any session that you cancel with less than 24-hours' notice. Mitigating circumstances may be considered.

If there are two instances of no shows you will be removed from your provider's schedule and referred out to other providers.
